WRITING MONTH

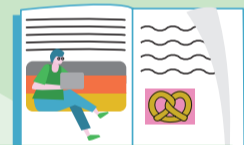

Continue writing your dissertation, finally finish it or just get started!

During Writing Month in February, the Graduate Academy Leipzig offers workshops, writing advice and joined writing sessions for doctoral researchers, those interested in doing a doctorate and early postdocs.

GERMAN COURSES

for international members of the Graduate Academy in Leipzig start in January, April and October.

AI Week

23.–27.06.2025

We invite you to develop skills and engage in discourse as part of various workshops, inputs and panels that address artificial intelligence and its rapidly increasing role in research and society.

BOOK A WORKSHOP

We come to your institution with our workshops on "Framework conditions for a successful doctorate", "Good supervision", "Motivation and personal requirements for a doctorate", "Time and self-management" and "Doctoral crises and resilience". Feel free to contact us!
